

CEDAR RAPIDS COMMUNITY SCHOOL DISTRICT
MEDICATION ADMINISTRATION PERMISSION FORM
Administration of Medication to Students

Only medication prescribed by a legal prescriber* will be administered during the time the student is at school. A legal prescriber's signature is required for administration of any non-prescription medication, including natural remedies and supplements**. The parent or legal guardian will provide written authorization. The school will have the right to contact the prescriber's office to confirm or clarify medication instructions. All medication will be supplied to the school in the original container, properly labeled, and will be administered only by the school nurse or other personnel who have successfully completed a medication administration course conducted by a registered nurse or licensed pharmacist. Students who have demonstrated competence in administering their own medications may self-administer their medication with approval of the parent/guardian and of the school nurse. By law, students with asthma or other airway constricting diseases may self-administer their medication with approval of their parents and prescribing physician regardless of competency. A written medication administration record will be on file at school and retained for five years. All medication will be stored in a secure area unless an alternate provision is documented. Medication records will be kept confidential

*Legal Prescriber – physician, dentist, podiatrist, licensed physician assistant, advanced registered nurse practitioner.

**Middle and High School students, in accordance with Health Services protocols for common complaints of pain, may have limited, over-the-counter medication with written parental consent.

- Non-prescription medication includes all over the counter products, like cough syrup, cough drops, enzymes, supplements.
• The medication must be kept in the Health Office unless the school nurse authorizes otherwise.
• Prescription container labels must include the following information: name of medication, strength and quantity, dosage, prescription serial number, name and address of pharmacy, date prescription is dispensed, time to be given, name of doctor, name of student, and route of administration.
• The time of medication administration may need to be altered slightly to fit your child's schedule. Please remind your child that she/he is responsible to go to the Health Office at the appropriate time.

This form must be completed and returned to the school Health Office for your child to have prescribed medication administered at school.

Name of Student: School: Grade:
Name of Medication: Dosage:
Prescriber's Name: Prescriber's Signature:
Approximate time to be given at school:
Give medication on late start days: TIME Give medication on early dismissal days: TIME
Length of time medication to be given (if known):
Health condition for which medication must be given at school:
